

10 TRAITS OF SERVANT LEADERS

A leadership framework centered on character, service, and lasting influence

EQUIP

1. Empathetic	Leaders listen first and seek to understand the experiences and needs of others.
2. Purpose-Driven	Leaders are guided by a clear sense of mission that informs their actions and priorities.
3. Supportive and Accountable	Leaders encourage growth while providing direction and responsibility.
4. Practical	Leaders turn ideas into action and ensure follow-through.
5. Confident	Leaders lead with assurance while remaining open to feedback and learning.
6. Teachable	Leaders stay curious and committed to continuous growth.
7. Solution-Oriented	Leaders focus on progress and look for constructive ways forward.
8. Collaborative	Leaders value shared insight and work alongside others.
9. Generous	Leaders invest their time, attention, and resources into developing people.
10. Humble	Leaders serve without seeking recognition and put the success of others first.
