

USING DIGITAL TOOLS WISELY TO SERVE AND COLLABORATE

Faith-centered principles for stewarding technology with purpose

Communication Tools

Use digital communication to inform, encourage, and coordinate clearly. Prioritize tone that reflects respect and care.

Colossians 4:6

Shared Resources

Store and organize materials so others can access what they need easily. Clarity reduces confusion and strengthens teamwork.

1 Corinthians 14:40

Collaborative Work

Work together in real time to support shared goals and accountability. Healthy collaboration reflects unity in purpose.

Ecclesiastes 4:9

Responsible Sharing

Share information thoughtfully, ensuring the right people have appropriate access. Steward confidentiality and trust.

Proverbs 11:13

Organized Systems

Use folders, structure, and naming practices that help others navigate resources. Order promotes efficiency and peace.

1 Corinthians 14:33

Feedback and Communication

Provide clear, constructive input that helps others grow and improve. Encourage dialogue, not confusion.

Ephesians 4:29

Data Collection and Insight

Gather information to make wise decisions and better serve people. Use knowledge responsibly.

Proverbs 18:15
